Dear class of 2022,

You have made it through  
school in extraordinarily challenging

and dreams are coming your  
way. It was a privilege to

educational journey. Go and have  
fun!

Dear graduates,

Congratulations on your big day! It marks the beginning of many  
amazing experiences, just make the most of them. Always choose  
the challenging path, not the one that is easy or convenient. You  
have already set your foot in the right direction.

Best wishes

Jane

"I saw my life branching out before me like the green-fig-tree in the story. From the tip of every branch, like a fat purple fig, a wonderful future beckoned and winked. (...) Beyond and above these figs there were many more figs I couldn't quite make out. (...) I wanted each and every one of them." (Sylvia Plath, *The Bell Jar*, 1963)

Dear graduates,

May life always lead to wisdom when facing fig-trees.

Congratulations, **Class of 2022!**

What a great accomplishment! But **don't stop!** Go on to other great things! Keep in mind the words of Justice Ruth Bader Ginsburg:

"Whatever you choose to do, **leave tracks.** That means don't do it just for yourself. You will want to leave the world a little **better** for your having lived."

**Be great! Be humble! Be leaders!  
Be the change!**

Bert

Dear 2022 graduating class,

"The best things in life are the people we love, the places we have been and the memories we have made along the way"

Sometimes, it's the simple things in life.  
God bless you on your life's journey.
